

The Book of Remembrance

The Book of Remembrance

The Book of Remembrance provides a beautiful and lasting memorial to those who have been cremated at Salisbury Crematorium. The book consists of two volumes, each volume displayed in the Remembrance Chapel. The pages are turned daily to reflect the current date, so that a lasting record appears at each anniversary date according to the date chosen. The date under which the entry appears is normally the date of death. However, any date may be chosen like a birthday or wedding anniversary.

Each inscription can consist of up to eight lines, with the minimum being a two line entry. Inscriptions can be illuminated by an emblem/motif of your choice, for example a coat of arms, military, club or society badge, a spray of flowers or a bird. If you would like a special motif, please include a detailed drawing or photo the studio can work from. Please talk through the choices available with the Crematorium staff.

Please do not place other containers or memorabilia in this area as they will be removed

Digital Scanned Copies of Entries in the Book of Remembrance

We can also supply a scanned copy of a chosen entry in the Book of Remembrance. This is a digital photograph of the inscription which is reproduced onto a simple card. It is an inexpensive record to keep or send to relatives who are unable to visit the Book of Remembrance at the Crematorium.
